Goal: Providing an informal arena for regular discussion, exchange of experiences and collegial support in teaching. Examples of topics discussed so far:
- A new questionnaire for student evaluation surveys – discussion of draft version
 - Academic writing training for students
 - AI for academic writing. Using ChatGPT in teaching and assessment with undergraduate social scientists
 - AI and teaching
 - Digital teaching
 - Digital tools for teaching and learning
 - Exam practices
 - Interactive teaching methods
 - Lectures as a teaching form: what and how much can we teach in a lecture?
 - Master students: independency and choice of topic for the master thesis
 - Research-based teaching
 - Supervision
