

Curriculum vitae

Name: Ingvild Aune

Date of birth: June 27.06, 1956

Nationality: Norwegian

Current workplace: Department of Clinical and Molecular Medicine,
Faculty of Medicine and Health Sciences, NTNU

Relevant education

2012: PhD course 5 ECTS: Quantitative Research, NTNU

2012: PhD course 5 ECTS: Research and best practice in health promotion:
Salutogenesis. NTNU

2011: PhD course 10 ECTS: Philosophy of science NTNU

2010: PhD course 10 ECTS: Qualitative research NTNU

2010: Course in Pedagogy

2009: Master of Public Health (MPH), 120 ECTS. Nordic School of Public Health

2009: PhD course 5 ECTS: The Evidence Base and Practice of Salutogenic Research.
Nordic School of Public Health

2008: PhD course 4 ECTS: Health, stress and coping part 2. Nordic School of Public
Health

2008: Diploma in Public Health, 60 ECTS. Nordic School of Public Health

2008: PhD course 5 ECTS: Health Promotion II. Nordic School of Public Health

2006: Pedagogy in Health Promotion, 5 ECTS. Nordic School of Public Health

2006: Certificate of competence. Ultrasound examination at 11-13+6 weeks. The Fetal
Medicine Foundation, London

2004: Obstetric doppler ultrasound. National Center for Fetal Medicine, St. Olavs
Hospital

2003: Transvaginal ultrasound in gynecology and obstetrics. National Center for Fetal
Medicine

2003: Postgraduate education in ultrasound for midwives 30 ECTS NTNU

2002: Ultrasound in gynecology and obstetrics. National Center for Fetal Medicine

1980 -1981: Midwifery education Oslo

1976 -1979: Nurse education Trondheim

Relevant work experience

2015- 2021: Professor in Midwifery and Programme Leader for Midwifery
education/Master in Midwifery, NTNU

2011-2015: Associate Professor at the midwifery education, NTNU

2009-2011: Assistant Professor at the midwifery education, NTNU

2007-2009: Teacher at the midwifery education, NTNU

2003-2007: Midwife in ultrasound at National Center for Fetal Medicine

1981-2003: Midwife at St. Olavs Hospital and Trondheim municipality

1979-1980: Nurse at St. Olavs Hospital

Projects:

1. Home visit by a midwife in the early postnatal period; an intervention project funded
by Helse Midt – Norge. Project manager: Ingvild Aune, NTNU, 2014-2017.

2. Factors promoting a normal birth and a positive birth experience. Project manager: Ingvild Aune, NTNU, 2014-2015.
3. Video recording as a learning activity in public health students' practical studies. Project managers: Vibeke Olufsen and Ingvild Aune, NTNU, 2013-2014.
4. Home visits by student midwives in the early postnatal period. Project managers: Ingvild Aune, NTNU and Anne Marie Lilleengen, OsloMet, 2012-2013.
5. An interprofessional project between public health nursing students and midwifery students. Project managers: Ingvild Aune and Vibeke Olufsen, NTNU, 2011-2012.
6. Continuity of care in the childbearing process – a collaboration project between HiST, St. Olavs Hospital and the municipality of Trondheim, funded by Helse-Midt and EC. Dahls Stiftelses Fond. Project manager: Ingvild Aune, NTNU, 2011-2012.

Supervision and examination: Supervised midwifery students since 2007 and master students in midwifery and global health the past five years (NTNU, HiB, OsloMet, USN). Several of the students have published their thesis in international scientific midwifery journals. Supervised several lecturers to the position associate professor. External examiner at the final presentation of several master theses (NTNU, OsloMet, USN). Supervised two candidates to the position professor (norsk: dosent).

Referee (peer review) tasks: Peer reviewer for BMC Medical Imaging, BMC Pregnancy & Childbirth, Biomedical Journals, Midwifery, Journal of Clinical Nursing Studies, Journal of Clinical Medicine, Sexual and Reproductive Healthcare, Journal of Interprofessional Care, International Journal of Women's Health, Uniped, Sykepleien forskning, Reflective Practice, Norsk Antropologisk Tidsskrift.

Committee work: I have been committee member and leader and have recommended 7 candidates for personal advancement to associate professor (NTNU, UiT, HSH, HiB, HVL) and considered 16 candidates for the job as an associate professor (HiB, OsloMet). I have been committee leader for personal advancement to professor (OsloMet) (norsk: dosent).
