

JENNIFER LEIGH BAILEY

Stokkanhaugen 99

N-7048 Trondheim

NORWAY

Email: jennifer.bailey@ntnu.no

Mobile Phone: (47) 92 21 82 37

Current Position	Professor , Political Science, Department of Sociology and Political Science (ISS), Norwegian University of Science and Technology (NTNU)
Education/ Degrees	<p>Ph.D., International Studies, June 1990, Graduate School of International Studies (GSIS), University of Denver.</p> <p>M A., International Studies, GSIS, University of Denver, 1981.</p> <p>M.A., Government, Georgetown University, 1980. Qualifying Examinations for the Ph.D. passed, April, 1980. Fields: International Relations, Political Theory.</p> <p>B.A., High Distinction, Foreign Affairs, University of Virginia, 1978.</p>
Current Projects & Professional Activities	<p>Book project: The Whaling Industry and World Systems .</p> <p>A sociological approach to the International Council for the Exploration of the Seas (ICES) - In association with the ICES Working Group on Maritime Systems</p> <p>Co-Chair, Working Group on Marine Systems for ICES (International Council for the Exploration of the Seas)</p>
Recent Projects (Completed)	<p>European Marine Board Expert Working Group on Coastal Resilience, project completed 2023. Publication: Position paper published as Position Paper 27.</p> <p>Work Package Leader (two work packages) for (Norwegian Research Council (NRC)) project SUSTAIN-FISH (From global ideas to local realities –the foundations of sustainability). HAVBRUK program. 1 June 2016--31 May 2019.</p> <p>Project participant for NRC-funded project CHASES (Consequences of land-use change and human activity on anadromous salmonids and the ecosystem services that they provide). MARIFORSK program (1 April 2016 - 31 March 2020).</p> <p>Work Package Leader (Socio-Economic Analysis) and member of governing board of OCEAN CERTAIN. EU 7TH Framework Programme project, 1 November 2013 - 31 October 2017.</p> <p>Member of EU 7th FP project MYFISH.</p> <p>Project Leader for CINTERA (A Cross-Disciplinary Integrated Ecosystemic Eutrophication Research and Management Approach). NRC Project 21667 (1 July 2012 - 30 July 2015).</p> <p>Project Leader for JANUS: Modeling an Interdisciplinary Early Warning System for Future Fisheries Scenarios: A socio-bio-economic value chain evaluation. NRC Project 216604 (1 July 2012 - 31 August 2015).</p>
Past Positions	<p><u>Visiting researcher</u>, Centre for Advanced Studies, Oslo Norway, fall 1999. Part of working group on Regime Effectiveness, led by Arild Underdal and Oran Young.</p> <p><u>Researcher/ Language/Publications Consultant</u>, June 1993-Sept. 1995. Senter for samfunnsforskning (SESAM), Trondheim, Norway.</p> <p><u>Foreign Affairs Specialist</u>, August 1990-December 1992. Office of International Affairs, National Marine Fisheries Service (National Oceanic and Atmospheric Administration, Department of Commerce).</p> <p><u>Historian</u>, Center of Military History, Department of the Army, September 1989-August 1990</p>
Review activity	Member editorial board: <i>Frontiers in Marine Science</i> . 2019 - Current

	<p>Review/have reviewed journal articles for <i>The American Political Science Review</i>, <i>European Journal of International Relations</i>, <i>The Journal of Peace Research</i>, <i>GeoForum</i>, <i>Politics and Religion</i>, <i>Sosiologisk tidskrift</i>, <i>GeorForum</i>, <i>Nature and Cultures</i>, <i>Global Environmental Politics</i>, <i>Arctic Review on Law and Politics</i> and others.</p> <p>Presses: have reviewed books for: MIT Press, Routledge Press, Hans Reitzels Forlag (Danish)</p> <p>Research Applications: Norwegian Research Council, European Research Council</p>
Past Projects and Scholarly Activities (selected)	<p>College representative on NTNU-wide “leader-group” for the “Oceans” Strategic Research Area.</p> <p>Led writing (as prospective coordinator) and consortium construction for application “EcoTrawl” (Benthic System Significance, Status and Solutions) to the EU 7th Framework Programme (this application scored above the threshold score but was not funded. Submitted 2011.</p> <p>Wrote work package (and selected as work package leader for) application CONSINTEG (Assessing and predicting the combined effects of natural and human-made pressures in the Mediterranean and the Black Sea in View of their Better Governance) submitted to the EU’s 7th FP. The proposal scored above the threshold but was not funded. Submitted 2010.</p> <p>Contributor to writing of MYFISH (Maximizing Yield of Fisheries While Balancing Ecosystem, Economic and Social Concerns) application to the EU’S 7TH fp. This project was funded.</p> <p>Co-organizer and co-leader (with May Thorseth, Department of Philosophy) of Trondheim-wide DIALOGUES ON AQUACULTURE: NATURE-TECHNOLOGY–GOVERNANCE (objective: create multidisciplinary and cross-sectorial dialogue on salmon aquaculture, produce network, research applications and publications. Several workshops held.)</p>
Publications	
Books	<p>P. Midford; J.L. Bailey, E. Moe, and C. R. Levy, eds. (2024). <i>Navigating East Asian Maritime Conflicts: Technological Change, Environmental Challenges, Global and Regional Responses</i>. Palgrave Studies in Maritime Politics and Security: Palgrave Macmillan.</p> <p>U. Mårtensson, J. L. Bailey, P. Ringrose and A. Dyrendal, eds. (2011). <i>Fundamentalism in the Modern World 2 volume edited book</i>. V. 1: <i>Fundamentalism, Politics and History: The State, Globalization and Political Ideologies</i>; V. 2. <i>Fundamentalism and Communication: Culture, Media and the Public Sphere</i>, I.B Tauris. Author of chapter and co-author of introductions to the two volumes.</p> <p>A, M. Tretvik, J. Bailey, O. Otterstad and R. Tiller (eds.). (2008). <i>Raudåte - redning eller ruin?</i> Trondheim: Tapir. Co-author of chapter: “Calanus Politicus: Statsvitenskapelige perspektiver på et raudåtefiskeri” with Rachel Tiller; co-author of introductory chapter with Tretvik and Otterstad.</p>
Manuscript - Thesis	J. L. Bailey. (1990). <i>Dependent Revolution: The United States and Radical Change in Bolivia and Cuba</i> . <i>Unpublished PhD dissertation</i> , Graduate School of International Studies (GSIS, now the Josef Korbel School of International Relations).
Selected articles and chapters	<p>Submitted to the editors: J. Bailey. Chapter 1.3: The state of world fisheries and fish farming. Scheduled for publication in: De Gruyter Handbook of Ocean Governance and Maritime Affairs Espen Moe, Marco Grasso, Miranda Schreurs, Shaohua Yan, and Thomas Sattich, eds. The book as a whole is to be submitted this year.</p> <p>Submitted to the editors: K. Rachlitz, M. Grothe-Hammer, J. Bailey. How Meta-Organizations Influence Their Social Environment: The Case of the ‘Grandfather of International Marine</p>

	<p>Science Institutions'. Book: The salience of meta-organizations.</p> <p>J.L. Bailey. (2024). Japan's New Whaling Policy: Marine Management in an Evolving Security and Technological Setting.
