

Personal Details:

Name: Gørill Haugan
 Address: Tonstadbrinken 303C, 7091 Tiller
 Phone: +47 73412158; +47 97503375
 Born: 220861
 E-mail: gorill.haugan@ntnu.no; gorill.haugan@nord.no

**Academic history:**

- Registered Nurse (1984)
- Cand. Mag. (Namdal University College, 1991)
- Cand. Polit. (MA ScNurs) (University of Bergen, 1998)
- PhD (PhD Health Science, NTNU, 2013)
- <https://www.ntnu.edu/employees/gorill.haugan>
- <https://orcid.org/0000-0003-0090-6462>
- https://www.researchgate.net/profile/Gorill_Haugan

Employment History:

- *Registered Nurse* (Tysnes, Trondheim, and Drammen municipalities, Norway, in total 4 years)
- *Assistant professor* in Nursing (Betanien University College in Bergen, Diakonissehjemmet, University College in Bergen, and Sør-Trøndelag University College (HiST, now NTNU), 16 years)
- *Associated professor* (NTNU) 12 years
- *Professor* 2016-dd NTNU Norwegian University of Technology and Science
- *Professor II* 2019-dd Nord University, Faculty of Nursing and Health Sciences

Summary of Teaching Experience

- Successfully supervised colleagues to positions as an associate professor and docent, as well as master students: masters in global health, health science and mental health at NTNU.
- Principle Supervisor for the PhD-students Eva Rinnan, Bjørg Aglen, and Vera Sørø, and co-supervisor for PhD-students Britt Karin Utvær, Ove Østerlie, Karoline Grødal, Geir Tore Steinsvik and Namrata Pradhan, NTNU. Responsible for a competence development program for university lecturers at both NTNU and Nord University, and main supervisor of 8 candidates towards associate professor competence.
- Arranging, teaching and supervisor **PhD-courses**, NTNU: (1) ***HLS 8008–Research on Health Promotion 2015*** and (2) ***HLS 8008–Health Promotion Implementation Research 2016***
<https://www.ntnu.edu/healthforum/ph.d-course>

Scholarly Activities

- **Project leader** for (1) the NFR-funded project “*Health promotion – worthwhile? Reorienting the community health care services*”, the research projects (2) «*Health Promoting factors in the joy-of-life nursing homes*», (3) «*Early post-natal discharge from hospital*», concerning women in the post-partum period, (4) «*The long-term ICU-patient’s struggle to survive: patients, family and ICU nurses’ perspective*», (5) «*Cross-professional supervisor teams and health care students’ practical studies in nursing homes*» & (6) «*Teaching HLR to nursing students – pedagogical methods*»
- **Part of the research-group and leader of work-package1**, research project «*PRACTA: Promoting Active Aging in Public Health Care: Recognizing Patient Psychosocial Needs and Enhancing Doctor Interpersonal Competencies*», in cooperation with the Medical University of Warsaw, Poland.
- **Part of the research-group for the project** «*Is small always good? Alternative care models for dementia*» in cooperation with Aging and Health and SINTEF
- 20 scientific expert committees assessing applicants’ competences; leader of 16 of the 20 committees
- Leaser of competence development programs for associates professors at NTNU-Department of Public Health and Nursing and Nord University, Faculty of Nursing and Health Science
- Assessing the PhD-thesis of Laura Dewitte, *Meaning in Life While Having Dementia*, KL Leuven University, 2020, Belgium

- Assessing the PhD-thesis of Siriwan Lim, National University of Singapore entitled "*Developing and Testing the Preliminary Effects of an Online 'Patient Empowerment to Medication Adherence Program' (PE2MAP) for Patients with Rheumatoid Arthritis: A Mixed Methods Study*". Lim defended her thesis 5th September 2019, in Singapore.
- Assessing the PhD-thesis of Betsy Seah, National University of Singapore entitled "*Developing and Pilot-Testing a Health Resource Program, Titled Salutogenic Healthy Aging Program Embrace (Shape) Among Senior-Only Households*". Seah was defending her theses 12th November 2019, in Singapore.
- *Nominated as a Visiting professor* at University of Tasmania, Australia
- Evaluating committee in 2019 and 2020 for research funding Helse Vest's (Health West); 2020 evaluating application for research funding at Nord University, Faculty of Nursing and Health Science.
- Assistant Editor for the scientific journal *Geriatric Nursing* 2014-2020
- Reviewer of 45 articles in 25 different international scientific journals and two books in the Norwegian language; External examiner at several universities in Norway
- *Invited keynote/guest speaker* at the 2nd international and 3rd national conference on post-partum care, Konya, Turkey, 3-6th October 2019
- *Invited speaker* as part of the Symposium '*Meaningfulness in Life: A Vital Factor for Well-being in (Very) Old Age?*' chaired by professor Jessie Dezutter, KU Leuven University, Belgium at the 9th IAGG-ER International Association of Gerontology and Geriatrics European Region Congress 2019, 23rd – 25th May 2019 in Gothenburg, Sweden
- *Invited speaker* at the 8th International Gerontology Symposium, 22-23.10.18, Antalya, Turkey
- *Invited speaker* at the International conference 2016: Ethics at the workplace calls for spiritual standing. Pastoral Care Commission for Health Caregivers, Faculty of Health Sciences, University of Malta, 29.-30.th March 2016. "Nurse-patient interaction - a core aspect of spiritual care among nursing home patients".
- *Invited*: University of Malta, at Gozo, Seminar for Seminarians (priest-students): «Application of the Ethical Code for the care of the seriously ill and the dying in the community», team teaching with Professor Donia Baldacchino. Date: Thursday 7th April 2016: 9am-12MD Venue: Seminary for Priesthood/University of Malta Victoria, Gozo, Malta.
- *Invited*: University of Malta, in Malta, Post-graduate course in nursing: "Forgiveness", team teaching with Professor Donia Baldacchino. The CPD Course NUR4240 - 4ECTS: The Spiritual Dimension in Holistic care. Date: Wednesday 6th April 2016: 12MD - 2.00pm. Faculty of Health Sciences
- *Invited*: University of Split: 04.06.13: "Self-transcendence and well-being among cognitively intact nursing home patients», Third years bachelor students in nursing
- *Invited*: University of Split: "Nurse-patient interaction – a health promoting approach among nursing home patients", Master students in nursing
- Co-arranged: Three international scientific conferences "An International Forum on Health Promotion Research", Trondheim, August 2014, September 2016 and September 2018 in collaboration with IEUHP; PhD-seminars at NTNU (on Health Promotion); An international symposium in Nursing Home Research, Toulouse, France, 2015
- Chair at the *Nursing Home Research International Working Group* 2015 and 2016; *NOVO conference*, 2015, and *Health Promotion Research – An International Forum*, Trondheim 2016 and 2014.

Research grants

1. **2012: The Polish Norwegian Research Fund:** Project: «*PRACTA: Promoting Active Aging in Public Health Care: Recognizing Patient Psychosocial Needs and Enhancing Doctor Interpersonal Competencies*»
2. **2014: Norwegian Association of Local Authorities:** Project: "*Is small always good? Alternative care models for dementia*"
3. **2015: The Norwegian council of research:** Project: "*Health Promotion – Worthwhile?*"
4. **2015: The Norwegian council of research:** Project: "*Health Promoting factors in joy-of-life nursing homes*"
5. **2017: The funds for cooperation between Trondheim municipality and NTNU:** Project: "*Cross-professional supervisor teams and health care students' practical studies in nursing homes*"
6. **2019: Constructive Advanced Thinking (CAT) Program** "Unravelling existential suffering and its relation to depression in older adults: EXIST-Well in nursing homes." Jessie Dezutter (Belgium), Daan Duppen (Belgium), Gørill Haugan (Norway), Suvi Saarelainen (Finland) and Helena Larsson (Sweden).

7. **2020: Helse Midt-Norge, Samarbeidsorganet RHF: PhD-study** Namrata Pradhan: pRomoting the hEalth of fAmiLies affected by dISability in nEpal (REALISE): A pilot study.
